

HAPPY GRADUATION + HAPPY SUMMER!

Until graduation, the Open Lab + Lasers are open normal hours. The Woodshop + CNC router is available on a project-to-project basis M – F 10AM-6PM if you email us in advance.

For summer access to the FabLab Team and Spaces, please email fablab@virginia.edu with your project, dates, and times that you would like to work. We will confirm with you in advance if tools are usable and staffing available.

We will be closed to all projects for Fall Prep 8.19-8.26.

**Enjoy the rest and relaxation of the season!
FabLab Love, MTAR**
